

Continuous Fiber-Reinforced Thermoplastic Tapes

Shaping the future: Our innovative approach meets every customer's needs and delivers customized, high-quality thermoplastic continuous fiber-reinforced tapes.

Our Unique Selling Points:

-  Production of Tapes (also in Small Quantities) at Attractive Prices
-  Various Material Combinations According to Customer Requirements (also Special Solutions)
-  Near-Net-Shape Production Without Slitting
-  Adjustable Tape Thickness, Width and Fiber-Volume Fraction
-  In-Line Quality Control of Tape Width, Thickness and Length (We Provide Data Logs)

Material Combinations:

	PE	PP	PA6	PA12	PC	PPS	PEEK
GF	●	●	●	●	●		
CF			●	●	●	●	●
AF			●	●			
Steel						●	●
